Dear Neighbour

**Changes to Chiltern Firehouse's application for outside seating**

Chiltern Firehouse is amending its application for a new outside seating area on Chiltern Street.

The changes that have been submitted to Westminster City Council are:

- **Reduction in hours** to 9am to 8pm daily – having originally proposed 8am to 11pm
- **Reduction in the number of tables and chairs** to 10 tables and 20 chairs – half of the numbers originally proposed
- **Removal of all heaters.**

To support these changes, we have updated the Operations Management Plan for the area, which has been submitted to Westminster City Council in support of the amended application.

The proposed new seating area will be by the old fire station doors where we have the advantage of a very wide footpath which, even with the seating area, will provide enough space to allow walkers to pass by unhindered.

If you would like to find out more about our application, please do contact me at: [Michael.Ryan@chilternfirehouse.com](mailto:Michael.Ryan@chilternfirehouse.com).

Yours faithfully
