

A MESSAGE FROM THE MARYLEBONE ASSOCIATION

Are you affected by Coronavirus ?

Do you have a problem getting out, or are you having to self isolate?

If so and you need some assistance - we have a number of local volunteers who are here to help

Our volunteers can email or phone to check what is needed- maybe help with a little extra shopping alongside their own, collect a prescription or post letters etc. Or if you would just like to have someone to chat with on the phone - we can arrange this also

contact us at: covid19@marylebone.org

If you do not have access to email, phone and leave a message on 07950 472916 with your phone number and we will get back to you
